Service and Labor

We will oversee all food and beverage operations for the day. Our friendly and hardworking staff will assist guests and host with all needs as well as keep the tables and venue clean throughout the event. Deep Run Roadhouse prides itself with great relationships with all the venues in the Richmond area. We always leave the venue just as clean as we found it, if not cleaner. Due to the complexity of the events, services required, and the challenges of different venues, the amount of staffing needed will vary. Bartenders and service staff are charged at \$35/hour. We do not charge gratuity but appreciate a tip if a good job is done.

Service Fees

There is a 15% service fee added to all Staffed Events. This includes but is not limited to; tables for food service, tents, travel costs, generators, cooking equipment, propane, chafing dishes, serving equipment, handling of rentals, credit card processing, trash cans, bags, and any other equipment needed for the event. The most important cost that this fee covers is insurance. Our company has extensive business, auto and workers comp insurance protecting you and the venue while we are working on your premises. If the venue does not have dumpsters and/or the trash needs to be removed offsite, we charge a \$500 trash removal fee.

There is a 10% service added to Delivery and Set-Up events as well a delivery fee based on distance. Half of the Service Fee and the entire Delivery Fee goes to the delivery person as gratuity and compensation. The other half of the Service Fee covers the disposable equipment and any other costs associated to the event.

Schedule a Tasting

Wedding tastings are complimentary!!! Tastings are perfect for groups of 4 or less, and you will be able to sample most of the items presented on our menu. We will also discuss many of the details for your event and you will leave that day with an accurate quote and a full belly. Please contact us at 804-740-6301 or on our website at <https://deeprunroadhouse.com/weddings/>.

Please come hungry with lots of questions and we look forward to meeting you.

FAQs

Do you provide bartenders? We do for full-service events only. However, our bartenders aren't experienced with extensive mixed drink knowledge. Bartenders are charged at \$35/hour and must arrive and leave with the other staff members.

What type and how much alcohol should be provided?

- **Beer.** We DO NOT suggest kegs. Kegs greatly slow down service at the bar, because most off-site keg systems require pumps and are not as efficient as the ones you see in restaurants with CO2. **Using kegs will require an additional staff member at the event.** Bottled beer is very easily repackaged and sent home with the family at the end of an event to consume later. This is very difficult with kegs. We suggest 4 varieties of beer; a popular domestic, a local craft beer, something lite (hard seltzer or Michelob Ultra), and one of someone's favorite. Too many choices of beer will also slow down service at the bar and you end up running out of one variety sooner.
- **Wine.** We suggest 2 or 3 types of wine. One red, one white and one of someone's favorite. Too many choices of wine also slow down service at the bar and you end up running out of one variety sooner.
- **Liquor.** We DO NOT suggest liquor. Having all of your family and friends drive home late, usually from far and unfamiliar places after consumption of liquor is a huge safety concern of ours. If you insist on liquor, we understand, and we will accommodate your request. We would suggest creating one mixed drink (signature drink), already premixed with limited supply. We also do not provide mixers or garnishes for the liquor beverages. **Mixing drinks to order will require an additional staff member at the event.**
- **How Much Alcohol?** We suggest buying 3 drinks per person. Many people will only have one and your heavy drinkers will have 4 or 5. One wine bottle equals 4 drinks.

Who provides the ABC license? Deep Run Roadhouse DOES NOT have an offsite ABC license. If we did, we would have to sell you the alcohol and charge you by the drink. This would greatly increase the cost of your event. Either the host or the venue needs to provide the license. The cost of a one-day license is \$55 and can be obtained in about 15 minutes at the ABC headquarters located at 2901 Hermitage Road, Richmond VA. We are however licensed and insured to open and serve your alcohol.

How many bars should we have? If your event is 200 people or less, we only suggest one bar. As long as we are not serving mixed drinks or have to pump kegs, we can serve a person every 5 seconds. If we had to serve all 200 guests at once it would only take us 16 minutes. Having two bars or having to move a bar greatly increases your cost of staffing, rental, equipment, and beverage purchases.

Do you clean up the venue? We do for full-service events only. However, on ALL events, the areas where our food, beverages, and prep are done, we take full responsibility of the cleanliness. As far as the cleaning of the general area (where the guest tables are and any other places guest may go), we will keep those areas clean throughout the event. We will continue to clean the venue clean until our mutually agreed upon departure time.

Do you set-up or break down the venue? We will assist you with any reasonable requests to set up or break down the venue. We will always set up and break down all of the areas where our food and beverages are presented and prepped. However, items such as setting up tables and chairs, centerpieces,

and overall decorating and logistics should be handled by a wedding coordinator/planner. We do not mind assisting with these items, we just need to be specifically made aware and delegated, to do these tasks.

Having our catering team show up early to assist with set up will greatly increase your staffing costs. Our staff will stay busy and work hard to keep the venue clean and break down until our mutually agreed upon departure time. We suggest leaving 30 minutes after the guests leave for complete breakdown of the venue.

Do you do venue walk-throughs prior to the event? We do on full-service events. However, we do not feel it's necessary if a detailed schematic can be provided for us.

How much food is provided for each guest? Our packages are designed to provide each person with a pound and half of food per person. A typical person usually eats about a pound of food per meal. We bring extra to account for variance of all of the different choices, so each guest has the same experience. We do highly suggest an accurate guest count, so every guest has the same experience and enough to eat. We take the utmost pride in making sure the first person through the buffet has the same experience as the last person through.

Who should I include in the guest count? First off, DO NOT include our staff. You should however include ALL of your guests, including children above the age of 8. You should consider including the DJ, parking attendants, wedding planner and staff, photographer, and any other service providers that will be there during or after dinner service. We suggest children under 8 years old be counted as a half guest.

How long are appetizers left out on display? We offer suggestions to order enough appetizers to last the entirety of the cocktail hour. After the cocktail hour, we consolidate and straighten up the appetizer station. We usually break down the appetizer station after the guests have lost interest or we don't have enough product to maintain a nice presentation. We do suggest having an accurate guest count for the appetizer station as well.

Can we keep the leftovers? Yes you can! We bring extra smaller pans to consolidate and package them up. However, there needs to be adequate refrigeration on site to store the leftovers or they need to be immediately removed off site. Health code strictly prohibits us serving food that is not held at the proper temperature. Therefore, it is up to our discretion, whether we leave the leftovers or not.

Can we provide our own food or beverage in addition to DRR's food? Yes, but we DO NOT suggest it, except for desserts. We take the utmost pride in the presentation, safety, and taste of our food and beverage that we serve. Sometimes when family members provide additional food, we have no idea if the food was sanitarily produced or held at proper temperatures. If for some reason the food makes someone ill, doesn't taste right, runs out quickly, or is not presented up to par, it is a direct reflection of our catering company. However, we cannot stop your mom from bringing her famous meatballs, we just ask that it is presented on a separate table with accommodations made to present it safely.

Who is going to cut our cake or present the desserts? We will certainly cut your cake. We do not however, go around and serve the cake to the guests. We will always bring a tray stand and a tray to the event and present the cake pieces on that and the cake table for your guests to help themselves. As far as the presentation of other desserts, such as doughnuts or cupcakes, we will assist in the presentation of these items. Again, we just need to be specifically made aware of what is expected.
